Camp Descriptions

Sports/Games

Football – Participants will learn the fundamentals of flag football.

Soccer – Participants will learn the fundamentals of soccer.

Racquet Sports – Participants will learn the fundamentals of Tennis or Pickle-ball.

Volleyball – Participants will learn the fundamentals of volleyball.

Basketball – Participants will learn the fundamentals of basketball.

Bike Camp – Participants will bring a bike & helmet and will complete a one mile ride, learn bike safety and compete in a bike rodeo.

Summer Games – Participants will compete in a series of “Olympic” events.

Music/Dance/Art

Dance Till U Drop – Participants will explore different dance styles.

Singing in the Shower – Participants will learn and perform several popular songs.

Made It Myself – Participants will create a number of craft projects using found materials.

Top “Drawer” – Participants will be introduced to Art with activities based upon the work of a well-known artist.

CDT (Cheer-Dance-Tumble) – Participants will Cheer/Dance/Tumble.

Start Some Drama – Participants will be introduced to fundamentals of performance.

Math/Science

Animal Planet – Participants will explore the world of animals – Dinosaurs (week #1), Oceans (week #5), Bugs (week #9).

Earth Week – Participants will celebrate our planet.

Bob the Builder – Participants will be introduced to the basics of architecture.

Silly Science – Participants will complete several science experiments using common materials.

K-NEX Camp – Participants will construct a machine using K-NEX building pieces. (No field trips)

K-Bot World Championships – Half-day session 9am-12n or 1p-4p. Participants will compete in a series of contests using self-constructed machines. (No field trips)

Bricks 4 Kidz – Participants will complete LEGO blocks based on problem solving.

Just for Fun

Just Play – Participants will put down the video games and learn & enjoy a variety of games.

Snacks – Participants will learn basic principles of nutrition and will make delicious, healthy snacks.

Sew It Up – Participants will decorate flip-flops, learn to knit or crochet, or make a friendship quilt.

Kool-Aid Days – Participants will discover the many uses of Kool-Aid and open a Kool-Aid stand.

Survivor/Amazing Race – Participants will have fun with activities based upon the award winning TV series.
